FUNDRAISING NEWS

Here's that big fundraising announcement we promised in our March programme... We've just launched Project//Bright - a crowdfunding project that will help us bring our website bang up to date and really help Light House shine online.

We need your help to make Project//Bright a huge success.

Our current website is ten years old - ancient in website years. Parts of it have stopped working. Sometimes we can't sell tickets online. We can't list all the events we hold. We can change all of this with a new website and really reflect what an important community hub Light House is. Donations, big or small, are gratefully received and can be made here:
