MARCH 2019

Did you know Light House is a registered charity? We're passionate about accessible film education for all, and aim to bring a range of films - both independent and mainstream - to a wide range of audiences. We're also dedicated to the vast and varied community groups that use our cafe, gallery and courtyard, such as those below. We rely on our supporters to make all of this possible. Donations, big and small, are very gratefully received - we even have a donation box on our front desk. Buying a drink to take into the cinema with you all adds up. Tag us in your date-night selfies, retweet us and share our posts to spread the word about Light House. We'll be making a big fundraising announcement shortly - watch this space!
